

Video calling - Learning guide

This session is a blend of a Learn My Way course and offline practise activities.

Resources:

- Devices with internet access and camera
- [Learn My Way Course: Video calling](https://www.learnmyway.com/courses/video-calling/) - <https://www.learnmyway.com/courses/video-calling/>
- Guess the logo handout
- How can video calling help? (Handout)

LEARN

- What video calling is and how it's done.
- How to download and register on to various video calling applications.
- How to add a contact.
- How to start and end a call.

DO

- Navigate to the Learn My Way course Video calling.
- Complete the first topic of the course:
 - Introduction to video calling
- When you have completed the first topic of the course, complete the Guess the logo handout. Discuss the results with someone else or your centre manager (if you have one).
- After completing the handout, complete the rest of the Learn My Way Course:
 - FaceTime
 - Skype
 - Messenger
 - WhatsApp
 - Quiz
- Complete the How can video calling help? handout. Discuss the results (if you have someone available to do so).

REFLECT

How did you find the session? Can you remember key information? e.g. how to start a video call, or how to turn the camera on and off? Would you be able to show someone else?

NEXT STEPS

Use the course resources if you want further information.

Tip: Video call interviews are becoming more popular. [Indeed have some great tips on how to have a successful video interview](https://www.indeed.com/career-advice/interviewing/video-interview-guide)
